PREMIUM QUALITY POSTERS WITHOUT THE PREMIUM COSTS

The opportunities are endless
imagePROGRAF iPF8400SE

The imagePROGRAF iPF8400SE empowers you to have on-the-spot posters that brings your creative ideas to life, in volume, as and when you need to.

Designed ultimately for poster printing, the iPF8400SE is packaged with our powerful PosterArtist Lite* software. A solution that allows you to, quickly and easily, produce a wide range of posters for various purposes, in four easy steps.

The iPF8400SE makes full use of Canon's unique LUCIA-EX ink system. An ink type with proven strengths in colour reproduction.

The iPF8400SE will allow you to turn around your creative ideas in record time. You can create and replace your posters quickly and easily as many times as you want, with minimal cost. Ensure your marketing remains relevant, fresh and always eye-catching.
